

GCSE Post Results 2026

You have a concern about your marks and confident there is a marking error:

Step 1A

- Request a Clerical Re-Check if you believe marks awarded on the paper were counted incorrectly
- Takes up to 10 calendar days

Step 1B

- Request a Review of Marking if you believe the examiner has marked the paper incorrectly
- Takes up to 20 calendar days

Step 2

- You will receive the outcome with a digital copy of reviewed script from school

You have a concern about your marks but are not sure where the error is:

Step 1

- Request a Priority Copy of the script
- Takes up to 1 week

Step 2

- After reviewing your script follow the steps above

You don't have a concern about your marks but would like to have a copy of your script for yourself or your teacher would like to use it for teaching & learning:

Step 1

- Request your script
- Takes up to 6 weeks

Step 2

- Receive a copy of your digital paper from your exams officer

Step 3

- If you have given your teacher permission to have a copy of your script they will receive it without you having to follow up
